Flooring

High Performance Materials  
for Durable Applications

# Introducing FibRoc® Flooring

Ahlstrom is a leading, global manufacturer of high performance fiber-based solutions, supplying nonwovens to the flooring industry for over 40 years.

Located in Karhula, Finland and Madisonville, Kentucky, USA, our glass nonwoven lines utilize a unique foam forming technology.

Additionally, we also manufacture wet-laid and needlepunch nonwoven products in Brignoud, France.

Manufacturing platforms for the FibRoc® portfolio are fully certified for quality (ISO9001), safety (OHSAS 18001), and environmental (ISO14001) standards.
